

One of the best things we can do for our marriage is to pray for and with our spouse. The verses below have been compiled for couples to pray together. As you pray through them, consider how you and your spouse are doing in these areas together, talk about them together and apply them together. What success are you having together? How does God want you to grow in these areas? Write them down and check in with each other every two weeks to assess how you are growing as a prayerful partnership. Repeat.

*Ecclesiastes 4:9-12- that we would be strong together, not easily drawn apart*

*Ecclesiastes 9:9- that we would enjoy one another and be satisfied*

*1 Corinthians 13- that we would love each other well*
